SIA "Longo Latvia" is part of the international company Longo Group, which is active in the field of used car trade. The company sets high standards offering a fully transparent and reliable purchase, sale and financing for used cars. The company values transparency, honesty and professional approach in everyday processes. The whole process, starting with the purchase of a car in the Netherlands, up to its export to Latvia, technical inspection and registration in Latvia, is done inside the company and the team of professionals takes care of it. Because of this, we are proud to offer a **lifetime guarantee for vehicle history.**

longo Certified

With respect to OPEL MOKKA with VIN number W0LJC7EC3F4294498
SIA "Longo Latvia" certifies that:

- Netherlands is this car's first and only registration country
  - *This car for the first time on 09.2015 has been registered in the Netherlands and is the first and only country of registration for this car. It has never been registered in any other country. Vehicle was exported to Latvia on **.**.** and received its registration on **.**.**.*

- This car has a complete and verified ownership history
  - *This car has always been used as a personal vehicle. It has not been used as a taxi or rental vehicle, in a commercial setting or as a service or government car.*

- This car is not encumbered by any financial commitment or obligation.
  - *The car was exported from the Netherlands by Longo Group JCS and all procedures have been followed with all taxes and fees paid. It is not subject to any commitments or obligations towards a third party.*

- The mileage of this car is original and has not been modified.
  - *The history of this car's mileage is true and tested in the Dutch National Vehicle Register. Thanks to a system that has been in operation for over 25 years, for every car, that is registered in Netherlands could be requested Tellerrapport (RDW) report - that provides full information about its owner as well as the odometer. Thanks to this, the customer can be sure that car's with VIN no. W0LJC7EC3F4294498 odometer is true and has not been modified when imported in Latvia.*

- This car is in good technical condition
  - *We have checked this car and confirm that it has never been involved in major accidents, has regular maintenance, as well as mandatory roadworthiness tests in the country of export. In Latvia, this car has passed obligatory technical inspection too.*

Buy respectfully, drive joyfully!

EXAMPLE

Lifetime guarantee for vehicle history.

Buying process for a used car must be as safe, transparent, fair and easy as buying a new car. Therefore, SIA "Longo Latvia" imports cars with verified origin, ownership and mileage history and which have not been involved in major accidents. For your convenience and reassurance, please see below summary of important parameters for selected car.
